Given I am on the login page (3.365s)	features/steps/testSteps.py:8
When I enter "standard_user" in the user field (1.340s)	features/steps/testSteps.py:15
And I enter "secret_sauce" in the password field (0.154s)	features/steps/testSteps.py:24
And I press the Login button (1.166s)	features/steps/testSteps.py:30
Then I should see the main page (0.322s)	features/steps/testSteps.py:37

@Test01

features/challengeFeature.feature:16

Scenario Outline: successfully logged in -- @1.2

Given I am on the login page (2.662s)	features/steps/testSteps.py:8
When I enter "locked_out_user" in the user field (2.042s)	features/steps/testSteps.py:15
And I enter "secret_sauce" in the password field (0.163s)	features/steps/testSteps.py:24
And I press the Login button (1.135s)	features/steps/testSteps.py:30
Then I should see the main page (10.710s) Error Message	features/steps/testSteps.py:37

@Test01

features/challengeFeature.feature:17

Scenario Outline: successfully logged in -- @1.3

Given I am on the login page (3.498s)	features/steps/testSteps.py:8
When I enter "problem_user" in the user field (1.359s)	features/steps/testSteps.py:15
And I enter "secret_sauce" in the password field (0.162s)	features/steps/testSteps.py:24
And I press the Login button (1.176s)	features/steps/testSteps.py:30
Then I should see the main page (0.366s)	features/steps/testSteps.py:37

@Test01

features/challengeFeature.feature:18

Scenario Outline: successfully logged in -- @1.4

Given I am on the login page (2.636s)	features/steps/testSteps.py:8
When I enter "performance_glitch_user" in the user field (1.906s)	features/steps/testSteps.py:15
And I enter "secret_sauce" in the password field (0.187s)	features/steps/testSteps.py:24
And I press the Login button (6.165s)	features/steps/testSteps.py:30
Then I should see the main page (0.352s)	features/steps/testSteps.py:37

@Test01

features/challengeFeature.feature:19

Scenario Outline: successfully logged in -- @1.5

Given I am on the login page (3.300s)	features/steps/testSteps.py:8
When I enter "error_user" in the user field (1.317s)	features/steps/testSteps.py:15
And I enter "secret_sauce" in the password field (0.182s)	features/steps/testSteps.py:24
And I press the Login button (1.243s)	features/steps/testSteps.py:30
Then I should see the main page (0.380s)	features/steps/testSteps.py:37

@Test01

features/challengeFeature.feature:20

Scenario Outline: successfully logged in -- @1.6

Given I am on the login page (2.670s)	features/steps/testSteps.py:8
When I enter " visual_user " in the user field (1.935s)	features/steps/testSteps.py:15
And I enter " secret_sauce " in the password field (0.178s)	features/steps/testSteps.py:24
And I press the Login button (1.197s)	features/steps/testSteps.py:30
Then I should see the main page (0.348s)	features/steps/testSteps.py:37
@Test02	features/challengeFeature.feature:22

Scenario: failed to login

Given I am on the login page (3.302s)	features/steps/testSteps.py:8
When I enter " standard_user " in the user field (1.313s)	features/steps/testSteps.py:15
And I enter " wrong_password " in the password field (0.179s)	features/steps/testSteps.py:24
And I press the login button (1.137s)	features/steps/testSteps.py:30
Then I should see an error message. (0.397s)	features/steps/testSteps.py:50
